

How to Price and Lock a Loan:

- Log on to our site <https://5thstreetcapital.mortgagebotlos.com/>
- Click on your borrower
- From the left side click 'Forms and Docs'
- Click 'Lock' - (don't worry this will not lock the loan)
- Verify all fields are accurate in the lock screen – (please use your most updated approval for data)
 - Product Name matches
 - DTI is correct
 - Escrows - make sure NOT HPML if you want to waive escrows: [Click here to verify if your loan is HPML](#)
 - Originator Compensation "Lender Paid Comp"
- Click 'Price' at bottom of the screen - (don't worry this will not lock the loan)
- See slide 3 if you receive a pop up with an eligibility or grid disqualification
- The Pricing Screen will appear –
 - Click the pricing to the right of the rate you want under the column 21 day pricing
 - Scroll down and read the pricing with all the adjustments *already factored* in for you
- When ready click 'LOCK' if not just leave the page
